

VOLUNTEER RESERVES

As a national nonprofit, we rely heavily on our volunteer reservists who support our mission and help us deliver our programs. We receive hundreds of messages of thanks from our staff, donors, partners, and the military families who engage with our volunteers. Their commitment and support is what allows us to make a real and positive difference in the lives of a very special group of Americans - our military families and veterans. With the help of our volunteers, we deliver valued programs and services.

VOLUNTEER OF THE YEAR

Stephanie Roberson, from North Carolina, exemplifies dedication and commitment to our military families. In 2023, Stephanie devoted over 900 volunteer hours to Operation Homefront, contributing over 3,000 volunteer hours in the last three years. In her role, she offers crucial staff-level support to North Carolina, South Carolina, Tennessee, and Kentucky. During Stephanie's time as an Operation Homefront volunteer, she has played a key role in program planning, volunteer communication, and the management of the Dollar Tree collection program. Stephanie always steps up to bridge the gap on various programs held within her region and her diligence extends to managing and stewarding donors in the Charlotte area.
